

Publication Agreement – COVID Terms

During COVID Parallax Photographic Coop will not take the usual commission. As a small gesture of solidarity, we are waiving our usual share of any sales on self published books to make sure 100% goes back to the artist.

We accept 3 copies of a title for an initial 3 month period. After this period of three months you will need to collect any unsold copies, unless agreed otherwise. We will require an invoice from you for the 100% of all copies sold.

This form must be filled in for each publication submitted. If you are sending your books by post, please include this document in the package.
