- * Orders must be combined to be minimum and multiples of 5
- ** Orders must be combined to be minimum and multiples of 2
- ### Orders must be combined to be minimum and multiples of 23
- #### Orders must be combined to be minimum and multiples of 15

Please Note:

Sheet film

- All sheet film items in this list have a minimum order quantity of one and the item will be manufactured.

Roll based items

- All roll-based items on the list such as 50ft slitting's need a minimum order to be placed before we can manufacture. This is due to the very high levels of waste material that could be generated.
- The minimum number of orders that we would need per roll item is between 2 and 15 depending on the item.
- HARMAN technology Limited reserve the right not to manufacture against any order any roll item that fails to achieve the required minimum order number.
- Some roll items where marked can only be manufactured in multiples of 2, 4, 5, 15 or 23.

UP = Unperforated. EI = Emulsion Wound In. EO = Emulsion Wound Out. MINI = 35mm Base

Not all items are supplied in bespoke ILFORD packaging, and some packing out material may be used to prevent slippage.
